ABOUT THE JOE ANDRUZZI FOUNDATION:

The Joe Andruzzi Foundation (JAF) is committed to providing help, hope, and a reason to smile, for New England- based cancer patients and their families by contributing financial support when it is needed most. Founded in 2008 by former New England Patriots three-time Super Bowl Champion offensive guard Joe Andruzzi and his wife Jen, the Joe Andruzzi Foundation grew out of Joe's own successful battle with cancer and the couple's ongoing work with young cancer patients. In 2007, Joe's football career abruptly ended when he was diagnosed with non-Hodgkin's Burkitt's lymphoma. Disease-free less than a year later, Joe and Jen chose to dedicate their lives towards solving the financial distress a cancer diagnosis can cause in the lives of patients and families.
