The Joe Andruzzi Foundation (JAF) was established to serve cancer patients of all ages throughout New England who are experiencing financial and emotional hardships as a result of a cancer diagnosis. Cancer-related income loss or reduction coupled with rising treatment costs can lead to financial stress as families struggle to cover their everyday expenses. JAF understands that crucial living expenses are not put on hold because of a diagnosis, and our Financial Assistance Program helps alleviate financial stress through the distribution of grants and gift cards to assist with rent/mortgage payments, utilities, food, and other household expenses. JAF is committed to providing help, hope, and a reason to smile, for New England cancer patients and their families by contributing financial support when it is needed most.
