

WHAT IS PROJECT 800?

Project 800 is a fundraising activity for students and athletes of all ages to instill team-building all while helping cancer patients within their community.

HOW IT WORKS

During the month of October, participating teams will raise funds for the Joe Andruzzi Foundation (JAF) and the cancer patients it supports. Each town program will be asked to raise a minimum of \$800 collectively throughout the program.

(UP)BEAT MVP

Each week, Coaches from each participating team will be able to nominate a player who:

- Promotes positive attitude
- Empowers those around them
- Leads through kindness

These players will have a chance to be featured on our socials!

HOW CAN YOU FUNDRAISE?

Throughout October, you and your teams can help raise awareness for those in your community through a variety of fundraising vehicles.

- Canning at home games
- Concession proceeds
- QR code donations
- Make up your own!

JAF GRANTS

JAF has granted over \$1.1M to breast cancer patients throughout New England since 2020.

WANT TO LEARN MORE?

The deadline to sign up to participate in the Project 800 October Fundraising Initiative is Sunday, September 15. If you would like to get more info or sign up, please reach out to Hunter Andruzzi at hunter@joeandruzzifoundation.org or (508)261-0630 x406.
