ATHLETIC FUNDRAISER IDEAS

Team Challenge Fundraiser

Set a goal (e.g., number of push-ups, laps, or drills) and have athletes collect pledges based on performance. It's motivating and showcases team dedication.

Skills Clinic or Camp

Host a sports clinic for younger students or community members. Charge a fee for participation and have team members lead drills and games.

Alumni vs. Varsity Game

Invite alumni to play against current team members. Sell tickets, snacks, and team merch. It's nostalgic and fun for the whole community.

Sports-Themed Raffle Night

Raffle off signed gear, game tickets, or local business donations. Host it during a home game or community event.

Team Car Wash

Classic and effective. Set up in a busy parking lot and have team members wash cars for donations.

Gate Ticket Fundraiser

Support JAF and your team just by showing up! Connect with Athletic Director to see if a percentage of ticket sales from a game can go directly to fundraising efforts.

Concessions Sales

Enjoy your favorite game-time snacks and support JAF at the same time! A portion of all concession sales during the game will go directly to fundraising goals.

Custom Gear Sale

Sell team and JAF-branded items like hats, hoodies, water bottles, and socks. Limited-edition items can boost interest and school spirit. (Designs must be approved by JAF)
