CORPORATE FUNDRAISER IDEAS

Lunch & Learn Fundraiser

Invite a JAF guest speaker or host a workshop during lunch. Charge a small fee or suggest donations for attendance, with proceeds going to the cause.

Company Wellness Challenge

Host a step-count or fitness challenge where employees get sponsors or donate per milestone. It promotes health and raises funds.

Coffee for a Cause

Set up a donation-based coffee bar in the office. Employees contribute for their daily brew, with proceeds going towards the goal.

Corporate Gift Basket Raffle

Create themed gift baskets (coffee lovers, tech gadgets, wellness, etc.) and raffle them off to employees or clients.

Host a third party event

Host an after-hours event with ticket sales or suggested donations, raffle baskets, or prizes. Include food and drinks to boost participation and donations.

Experience Auction

Partner with travel companies or local businesses to offer experiences (e.g., spa day, weekend getaway) and raffle or auction them off.

Round-Up Campaign

Partner with a local business or run it internally—customers or employees can “round up” their purchases or paychecks to the nearest dollar, with the extra cents going to the cause.

Product Give-Back Campaign

If your company sells products, designate a day or item where a percentage of sales goes to a cause. Promote it through email and social media.
