## SCHOOL FUNDRAISER IDEAS

### Coin Drive

Coin Drives are an easy way to get your students to feel personally connected to their fundraiser as they drop their own loose change into a JAF wrapped donation can!

### Read- a- thon

Read-a-Thons are a great way for your students to engage with their academics while also raising money for those in their communities!

### Dress down/ Pajama day

Get comfortable and raise money for a good cause while in school! Schools or classes can participate in a Dress Down/Pajama Day by permitting students who donate a minimum of \$1-5 to wear their favorite comfy outfit!

### Pancake Breakfast / Pasta Dinner

Bring the community together over a delicious meal! Sell tickets for a morning pancake feast or an evening pasta dinner. Add raffles or entertainment to boost the fun—and the funds.

### Principal Challenge

Let students vote with donations! If the school hits a fundraising goal, the principal agrees to a fun challenge—like getting pied in the face, dressing up in a silly costume, or spending the day on the roof. It's a hilarious way to motivate giving!

### Art Show & Auction

Celebrate student creativity! Host an evening where families can view and bid on student artwork. Proceeds go to JAF, and students get to shine as young artists.

### Fun Run / Walk-a-Thon

Students collect pledges for every lap or mile they complete. It's a healthy, active way to raise money while encouraging school pride and physical fitness.

### Obstacle Course or Field Day

Turn fundraising into fun and fitness! Students participate in outdoor games, races, and challenges. Entry fees and snack sales help raise money while promoting teamwork and school spirit.
